HISTORY

by
Judith Wanzer

On the bright, autumn morning of September 7, 1951, our large class of naive, eager students ascended the steps of Ipswich High Schaal far the first time. It was an awesome sensatian, that first morning in assembly. We tended ta group together as a herd af sheep, with the feeling that there was safety in numbers. Amid a great deal of confusion — especially finding study hall seats and using the right stairs — we attended aur first day's classes. It didn't take us lang to become acclimated, however, and to feel that we belonged.

It was early in September that we elected Gary Casali as our class chairman, and Sheila Sullivan as our secretary-treasurer.

During aur eighth-grade we were happy to welcame two new classmates: Corrine Hammond from Hamilton, and Audrey Carr from Richford, Vermont.

Our eighth-grade sacial, held on May 9, was a huge success. We shall never forget this, our first social affair.

The climax af the year was the annual Crane's Picnic, leaving in its wake two very badly burned red-heads, Sheila Sullivan and Audrey Carr and a staff of distraught, frustrated teachers.

The following fall of 1952 we mounted the steps with much mare assurance and welcomed our Rowley and parachial schaal students who have added gaad fun ta our days at I. H. S.

Our first class meeting was held on September 26. Our chosen leaders were President, Howard Publicover; Vice-President, Laurien Levesque; Secretary, Judy Wanzer; Treasurer, Sheila Sullivan. Our class voted to have monthly dues of twenty-five cents, which seemed to the teaching staff an unusually large sum.

Our first schaal dance, a Saint Patrick's Day affair, was held an Friday, the 13th af March, with green and white streamers, shamrocks, and ather decorations honoring this great day. This dance was successful and well-attended in spite of falling on a fateful day.

Our freshman year quickly drew to a close, and we returned in the fall as sophomores, after a well-earned summer vacation.

At an early class meeting we elected Howard Publicover, President; David Lindgren, Vice-President; Judy Wanzer, Secretary; Sheila Sullivan, Treasurer.

Many af the bays went out far faotball this year and contributed ta the success of our varsity and junior varsity teams. Bath bays and girls went out for basketball.

We soon began making arrangements far aur Valentine Dance, held on Friday, February 19. Cupids and hearts adarned the auditorium walls on this evening, and red and white streamers were everywhere. Again a large crowd attended, and we added $14.41 ta our treasury.

A scene fram the "Tale af Two Cities," rewritten by Hawie Publicover, was presented by Miss Crowley's English class. Audrey, Danald, Joanna, Stephen, Alice, Gary, and Laurien performed admirably. We especially enjoyed Audrey's portrayal of Madame Defarge.

Of caurse, this year we were intraduced ta William Shakespeare, and the English classes attended the Majestic Theater in Boston and saw the movie version of **Julius Caesas.**

Dave Lindgren made geometry quite fascinating this year, diverting the class with a little toy fire engine that went up and down the aisles. Its cannectian with geometry is obscure, but it was fun anyway.

We then gat dawn to the business af choosing the class rings. The majority of the class favored the "Tiger" design, and arders were immediately filled.

The end of aur sophamare year was saddened when Miss Crawley left us ta attend Harvard Graduate school

In September we returned as praud upperclassmen. United States histary was quite interesting this year, as Dave Blanda had a newly praposed course in the planting of carn seed.

Sheila and Judy resumed their position of treasurer

and secretary respectively, while Dave Blonda became our President and Dave Lindgren aur Vice-President.

Our Christmas Dance was as successful as aur previous dance. Ranald Brown's Orchestra furnished the music, and the refreshments and decaratians were enjoyed by all.

Under Sue King's management, our class rings arrived early in the year.

In February we were happy to welcome aur new principal, Mr. Pressley. His direct way of speaking and his decisive manner impressed us greatly. In the short time Mr. Pressley has been with us, he has done many constructive things far Ipswich High and the students.

Next an the sacial calendar was the Junior Prom. That presented many problems and a lot af hard work. Eventually, hawever, after the decarations were finished, we held aur Pram on April 15. The decorations, based on the "Stairway to the Stars" theme, was simply beautiful and the grand march was well dane. With Lou Marino and his society orchestra, the evening was a tremendous success.

A great deal of talent was displayed by our class in both the variety shows. We all know Audrey Carr's piano accompaniment will be a great loss to the school. David Blanda also gave the **Gettysburg Address** with great feeling at the Memarial Day exercises.

This year Margaret Andreazzi was chosen to represent I. H. S. at Girls' State in Bridgewater, Mass., and David Lindgren and David Blonda represented I. H. S. at Boys' State in Amherst, Mass. David Blonda was presented the Harvard book for being the most autstanding boy in the Juniar class.

Now for athletics. "Mokey" and Bill Bousley were elected as co-captains af the 1955 fatball team. Peggy and Clarice were co-captains af the 1956 girls' basketball team, and Fred Garand was chosen captain of the 1956 baseball team.

Our junior year came quickly to an end, and on Class Day we marched into chapel and took the seats reserved far seniors.

We returned in the fall far our last year in high school and taok up our residence in Study hall.

Our class afficers remained the same, except that "Mokey" Comeau became aur vice-president.

This year we were very happy to welcome Mr. Bernard as our history teacher, but he remained with us only until January. Mr. MacKenzie was the teacher who ended the year with us.

We sponsored a foatball dance on September 24. The walls of the gym were decorated with footballs and helmets, and black and orange streamers hung from the baskets. This dance added $43.91 to the class treasury.

The Halloween Dance, provided by the Boasters Club and spansared by the Senior Class, was very enjoyable. The archestra did a splendid job, and the decorations, cider, and doughnuts were appreciated by everyane.

In Octaber we selected blue and white as the calar of our caps and gawns, chase Pete Zaharis as aur photographer, and vated for a "Tiger," a class day, and a seniar play.

This year "Mokey" Cameau, who well deserved the hanor, received the annual football trophy. Sue and Peggy, who did an excellent job af cheering the football players onto victory, became head cheerleaders.

Senior Day was held an Thursday, December 22. After the traditianal Christmas dinner, we proceeded to the auditorium where jolly Santa Claus, Jahn Havey, handed out joke presents. Sarah's gift brought laughter from everyone, and no wonder.

In January, three of our classmates, Bill Bousley, Allen Jensen, Rabert Tondreault, left us to join the Navy.

In February, Audrey Carr was elected by the senior class as D.A.R. Good Citizenship Girl.

On April 5, after five weeks of preparation, we presented a three-act play entitled "Our Hearts Were Young and Gay." The auditorium was filled to capacity, and the cast was rewarded with many appreciative laughs. A great deal of credit is due to Miss Allen and Miss Bladgett, who worked very patiently.

One of our biggest complaints this year was the fact that this year we looked forward as being first in lunch line, but we never seemed to quite make it. In fact, we're still at the end af the line.

Now that it is time ta leave gaod ald Ipswich High, it is with mixed feelings that we say gaod-bye to ane anather, and ta our many teachers wha have patiently guided us through the years. In the future, we shall laok back upon these years as the happiest, most carefree time af our lives, and not as the ending as it seems now, but as the beginning.

Howard: (Voice) Da you heor that voice?

Sheila: Yes, who is it?

Howord: That's another one of our clossmates, David Lindgren. After he graduated from B. U. he, with the help of his monoger, Bill Davis, rose to stardom with his golden voice.

The team then came back with a 13-6 victory over Malden Trade. At this point the "Tigers" went into high gear by defeating Tewksbury 26-7 and an Thanksgiving Day by defeating Dracut in the final game 32-14.

STUDENT COUNCIL

You see pictured above the Student Council of Ipswich High School. Although membership has increased from ten to twenty members, amendments have been added to the constitution, and a different sponsor is elected each year, our basic aims and principles have remained the same. We are primarily concerned with the welfare of Ipswich High School and of the student body. Thus, since the council was organized, our purpose has been to promote school spirit not only in the classroom but also on the gridiron. This has been achieved by establishing a local chapter of the National Honor Society to promote scholastic achievement and by establishing the annual football contest to promote high spirit and fair play in athletics.

The following passage is the oath of office taken by each member in the initiation ceremony at the beginning of each year----------

> "I do solemnly promise that I will, to the best ot my ability, perform the duties as a member of the Srudent Council and to do my best at all times to further the efforts of the council."

"Mme. Elise, would you, or Therese, hove ony use for things like this?"
